

HTC Touch Pro CDMA Verizon Battery Replacement

Installing a new battery in your HTC Touch Pro.

Written By: Jack Bowen

INTRODUCTION

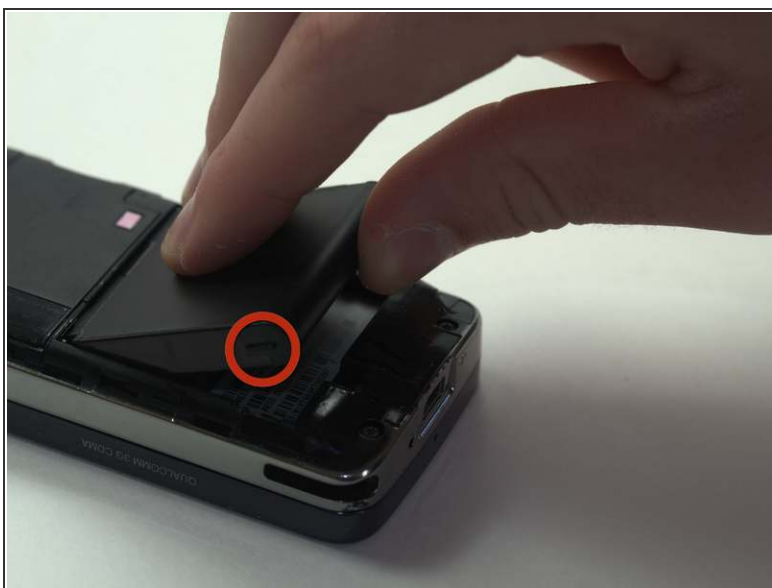

Hello there and welcome to the new battery installation guide for the HTC Touch Pro PPC-6850. In this guide, we'll be showing you how to access your phone's battery and replace it as necessary.

Step 1 — Battery

- Remove the back cover (not pictured) to your phone. Place it aside somewhere you won't lose it.

Step 2

- To begin removing the battery, place your thumb beneath the tab (outlined in red here) and begin to lift.
- Pinching the battery, lift up at an angle from the bottom of the phone.

To reassemble your device, follow these instructions in reverse order.
